

At **AMI**, we believe that living begins with giving and we know that this Holiday Season will be hard for many of us, due to the outbreak of Covid-19 and the hardships caused by the restrictions in place. So, we will be working with 2 local Community Support Centers to join them in their efforts to provide **Toys** for those in need within our communities and surrounding neighborhoods and bring some much-needed Joy this Holiday Season.

With help from **Life Center, Safe House Center and residents like you**, we can provide Toys to families who may not be able to purchase them at this time.

AMI will be accepting **New Toys for ages 0-17**
Or individual art and science kits (quarantine activities!)

Please
- No Electronics
- No Stuffed animals (due to the spread of the virus)

If you wish to participate in the Toy Drive by donating, please send an email to wheatlands@amihoa.com WITH THE SUBJECT LINE 'TOY DRIVE' AND INCLUDE YOUR ADDRESS FOR PICKUP OF THE DONATED ITEMS. Please collect these items and place them on your doorstep in a box or bags Labeled AMI for pickup on Friday **December 11th, 2020**

*If you are in need of toys for your family this holiday season, please email wheatlands@amihoa.com and provide the ages of your children and your property address so we can help with that need.
